OUR SERVICE

KindRoots is a space to connect, breathe, and belong.

We are a friendly, welcoming group for SEND parents and carers in Barnsley, meeting once a month at The Lightbox, Barnsley Central Library.

We know how much love, energy, and care goes into raising and supporting a SEND child — and how important it is to have people around you who just get it.

*“We don’t just care for our children;
we rewrite the world around them
so they can shine in it.”*
